

DONATE MILK
SAMPLES FOR
MEDICATION
SAFETY
RESEARCH.

PROTECT BABIES
AND MOTHERS.

Our research helps us understand whether certain drugs are safe to take while breastfeeding. We need your help - milk samples are crucial. We are one of the few centers dedicated to these studies.

We want to know about medications or anything you might find interesting. For a list of medications we are currently studying and for more information, please visit our webpage. infantrisk.com/help-infantrisk-research
